

CNSI/MCTP Outreach Magnetic Fluid Reorder Request

Attention: Sarah Tolbert and Magnetic Fluids CNSI/MCTP Outreach Team

Teachers who have participated in the NanoInstitute and have obtained magnetic fluid kits through these workshops are eligible to reorder consumable supplies for these kits. To reorder these consumable supplies, clearly fill out this form and fax it to the California NANOSystems Institute at 310-267-4918. Someone will contact you by e-mail within 30 days to arrange for you to pickup the supplies at UCLA or for one of our personnel to deliver to your school (our choice, depending on availability of personnel).

Teacher's Name (Last, First): _____

Teacher's E-mail Address: _____

Teacher's Daytime Phone Number: _____

Teacher's School: _____

Year that Teacher Participated in Workshop: _____

Supplies to be Reordered

Consumable Item Requested	Quantity Requested
500g jar of FeCl ₃ •6H ₂ O (Ferric Chloride)	
200g jar of FeCl ₂ •4H ₂ O (Ferrous Chloride)	
500 mL bottle of Ammonium Hydroxide (29%)	
220 mL bottle of Tetramethylammonium Hydroxide	
500 g jar of Citric Acid	
Roll of pH paper	

**Note: If you are requesting to reorder anything other than one of the consumable items listed above, please explain on a second page of your fax why you need to reorder a non-consumable item (ie: something broke, was stolen, etc.).*
